

Friends,

We are delighted to share with you the results of our second full year of operations as Journey to Hope.

There are a number of milestones and accomplishments that include:

- 4 new programs (Action Boards, Social Media Branding, Steady U, QiGong & Tai Chi)
- Opening an account with TD Ameritrade to accept securities as donations
- Growing diversity in our program members

Not a one of these successes could have happened without our committed board, amazing volunteers, and engaged donors working together to provide our programs.

With gratitude,

Diane

In the Words of Our Members...

“For me the Job Accelerator course was a chance to review what was and was not working in my job search. The leaders determined where I was in my process, asked what I needed and then supported me with feedback, suggestions and relevant guest speakers. We laughed a lot as a group and having that comradery helped to boost my confidence. I highly recommend this course if you have been looking for a while and feeling as though you have reached an impasse.” ~ Veronica Proctor

“I will try to remember that sharing yourself with others, even complete strangers, is rewarding.” ~Art of Becoming group member

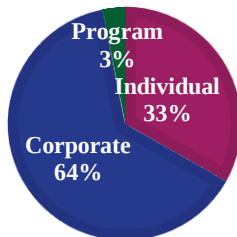

“Moving forward, I’m going to carry out the suggestions made to improve my attitude and my surroundings in a positive way.” ~Steady U group member

Our Mission

We are an ecumenical ministry that promotes health, positive relationships, and support for life’s transitions through a program of support groups, coaching groups, seminars, and workshops, all of which support individuals growing into their best selves, the person God meant them to be.
